

# DATA EAST: HITS TO FIT ALL LOCATIONS!

Actual flight simulation comes alive as the player soars into the 3rd dimension! Picking the Tatsunoko Jet Fighter against enemies on land, in the air and at sea, the player will experience the most realistic daylight ever in a video game. LOOK-ON is available as an upright or as a sit-down version with a detachable seat unit for location versatility.

KARNOV, the fire-breathing Babylon, is seeking the lost Treasure of Babylon. He runs, swims, jumps, climbs and flies through 9 levels of video game play. Enemies of various sizes and strengths are out to prevent KARNOV from finding the treasure.

KARNOV's unique character, intense action and strategy will keep collectors high in all types of locations. KARNOV is available as an affordable upright in the all-new Data East cabinet.

KID NIKI is truly AWESOME! This "rod" and "rod" punk duo is out to rescue his spiky-haired girlfriend, Princess Margo, from the clutches of the Stone Wizard. Armed with a laser-sharp sword, this miniature madman slices his giant evils down to size.

KID NIKI is offered as a Horizontal Game Kit and is a quick n' easy plug-in for King-To Master.

## THE CASHBOX TELLS THE STORY!
